

Competitions

Competitions play an important role in students' life as their confidence gets a tremendous boost when they showcase their talent. All faculty members are always on their toes to encourage every participant in their endeavours. We always stress on team spirit as it leads them on the path of victory and when results are not favourable to accept defeat with grace, Inter house competition, yoga, physical training, culinary art etc are a regular feature in the School time table in which students of all age groups participate with immense vigour and enthusiasm. The whole atmosphere of the school is filled with exhilaration & thrill on such days.
